

Helping you switch to your new plan

Before your benefits even begin, you have access to the UnitedHealthcare® app. With it, you'll find a list of suggestions created just for you, to help you get the most from your new plan the moment your coverage starts.

Your path to a smooth start

Discover a list of things you can do at your own pace as you transition into your new plan, which may include:

- ✓ Search and select your network primary care provider (PCP)
- ✓ Start Transition of Care for ongoing treatment, if eligible
- ✓ Access on-demand, virtual assistance through the chat feature
- ✓ Set up notifications and communication preferences
- ✓ Save health plan details to your digital wallet

Note: This information is meant to help you out as you switch to your new plan – your coverage and benefits are not dependent upon completing these steps.
